data@elevator-expo.com / info@elevator-expo.com

Under the collective support and steadfast commitment of our industry peers, **WORLD ELEVATOR & ESCALATOR EXPO (WEE EXPO)** has achieved steady and robust growth throughout the years. Every accomplishment is rooted in the long-standing and tremendous support from our vast network of industry friends.

The industry ecosystem is now reaching a new level of maturity, characterized by extensive interconnectivity and a landscape where diverse players coexist—a dynamic interplay of opportunities and challenges. As a vital witness and driving force in the industry's evolution, WEE EXPO is poised to celebrate a monumental milestone: its 30th edition.

From May 20 to 23, 2026, this grand celebration, bearing the legacy of three decades, will magnificently commence at the China Import and Export Fair Complex in Guangzhou. Building upon its rich heritage, this edition is set to transform and elevate. We have planned an exhibition area of 120,000 square meters, with over 1,100 enterprises expected to exhibit, and we anticipate more than 100,000 professional visits. This event will forge a premier platform for resource exchange—one that pays tribute to the past while empowering the future.

We firmly believe that with your participation and the support of our fellow professionals, this exhibition will prove to be fruitful and rewarding for all. Let us join hands to pioneer a new paradigm and cultivate a vibrant new ecosystem for our industry.

We cordially invite you to be a part of this landmark event. Let us gather again in Guangzhou in May 2026.

EXHIBITION FOCUS

10b⁺

Elevator Aftermarket

10000⁺

Premium Overseas Buyers

1100⁺

Full-Chain Enterprises

50w⁺

Elevator Modernization & Retrofitting

10⁺

High-End Industry Conferences / Summit

CONCURRENT EVENTS

- (1) World Elevator Congress
- (2) Elevator Aftermarket Industry Seminar
- (3) Seminar on AI and Elevator Industry Integration & Innovation Technologies
- (4) The Elevator For Home Use Development Conference In China
- (5) Seminar on New Business Model Elevator Drive Technologies
- (6) National Conference on New Energy Elevators and Green Energy Saving
- (7) 2026 Elevator Modernization and Retrofitting Conference

EXHIBITION SCOPE

Elevators:

Passenger Elevators, Villa/House Elevators, Panoramic Elevators, Hospital Elevators, Moving Walks, Freight Elevators, Mine Elevators, Escalators, Dumbwaiters, and Other Elevators.

Elevator Components:

Traction Drive Systems, Guide Rails, Cars, Door Systems, Weight Balancing Systems, Elevator Control Systems, Elevator Car Interiors, Security & IoT Solutions, Hydraulic Systems, Protective Equipment, Safety Protection Systems, and Other Accessories.

Parking Equipment:

Intelligent Parking Equipment, Mechanical Parking Systems, Intelligent Parking Management Systems, Parking Facility Supporting Equipment, Parking Accessories, New Energy Vehicle Charging and Battery Swap Systems.

Digital Building:

Intelligent Security & Fire Protection Systems, Intelligent Lighting & Environmental Control, Intelligent Access and Operational Maintenance Management, Intelligent Energy Management & Energy-Saving Technologies, Building Automation and Intelligent Control Platforms.

Grateful for colleagues - Smart Parking New Chapter

Exhibition Contact	Name			Title	
	Tel			Fax	
	Mobile			E-mail	

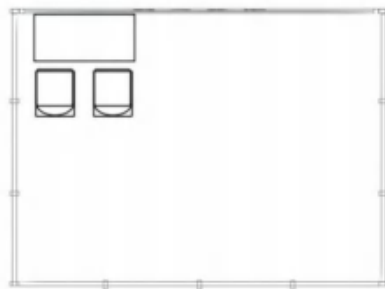

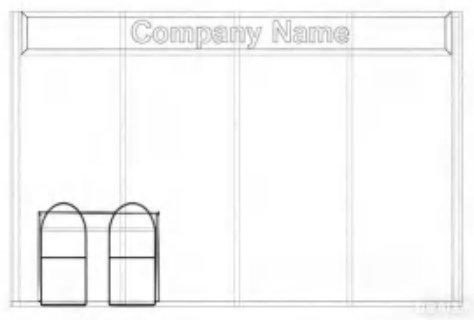

Booth type and price

Type	Price
Raw Space	220\$ /m ² /exhibition period, minimum order of 48 m ²
Standard booth	12 square meters per unit, 300\$ per unit per exhibition period

Standard booth configuration description

- (1) Area: 12 square meters (3 meters * 4 meters), height 2.5 meters
- (2) Booth panels: white standard frame, 3-sided panels (for double-sided booths, there are 2-sided panels)
- (3) Nameplate (Chinese and English name, booth number) - 1 piece (2 nameplates for double-sided booths)
- (4) Consultation desk - 1 piece
- (5) Meeting chairs - 2 pieces
- (6) Short spotlight (100w) - 2 pieces
- (7) Power socket (220v/5A) - 1 unit
- (8) Trash can - 1 unit
- (9) Carpet - 12 square meters

Appendix: Standard Booth Configuration

Note: According to the exhibition requirements, if the booth needs to be adjusted, it will be based on the actual situation, and adjustments will be made by the organizing committee.

Product list

Complete machine

- | | | |
|---|---|---|
| ☐ Passenger elevator | ☐ Villa elevator | ☐ Special elevator |
| ☐ Sightseeing elevator | ☐ Medical elevator | ☐ Moving walkway |
| ☐ Freight elevator | ☐ Vehicle elevator | ☐ Mine elevator |
| ☐ Escalator | ☐ Cargo elevator | ☐ Related industries |

Accessory

- | | | |
|---|--|--|
| ☐ Towing drive system | ☐ Guide rail system | ☐ Elevator car |
| ☐ door system | ☐ Weight balancing system | ☐ Electrical control system |
| ☐ Elevator decoration | ☐ Security and the Internet of Things | ☐ hydraulic system |
| ☐ Protective equipment | ☐ Escalator accessories | ☐ Small accessories |
| ☐ Other components | ☐ Safety protection system | |

Parking exhibition area

- | | | |
|--|---|--|
| ☐ Smart parking equipment | ☐ Mechanical parking area | ☐ Intelligent Parking Management System |
| ☐ Intelligent Parking Charging System | ☐ Intelligent parking assist product | ☐ 3D Parking Management System |
| ☐ Parking lot related facilities | ☐ Parking accessories | |
| ☐ New energy vehicle charging and swapping system | ☐ Parking Security Series | |

The exhibiting unit confirms its participation. Please stamp this registration form and send a scanned copy to the Organizing Committee of the World Elevator&Escalator Expo (Langfang Conference & Exhibition Co., Ltd.), so that the exhibition application can take effect.

P01. Preface

Join Hands with
CFTC for Win-win
Outcomes

China Foreign Trade Centre (CFTC), affiliated to the Ministry of Commerce of PRC, has been the exclusive organizer of China Import and Export Fair, also known as the Canton Fair, since 1957. As a world leader in exhibition operation and scale, CFTC boasts strong exhibition strength, rich experience, professional service and excellent performance. China Foreign Trade Centre Group Ltd., a business entity affiliated to CFTC, operates world's largest comprehensive exhibition complex—the Canton Fair Complex.

Situated alongside the Pearl River, the Canton Fair Complex enjoys picturesque surroundings, convenient transportation, comprehensive service facilities, and a well-developed supporting industrial chain.

We warmly invite you to visit exhibitions and conferences in the Canton Fair Complex.

P03. Overview

- The Canton Fair Complex is composed of four areas (i.e., Area A, Area B, Area C, and Area D), Canton Fair Convention Center, Canton Fair Tower A (the Westin Pazhou), and Tower B.

Located in Pazhou, Haizhu District, the Canton Fair Complex stands as a prominent urban landmark in Guangzhou. As the world's largest exhibition complex, it spans a total construction area of over 1,620,000 m² and boasts an exhibition area of more than 620,000 m².

A National Exhibition Platform

The Canton Fair Complex is composed of four areas (i.e., Area A, Area B, Area C, and Area D), Canton Fair Convention Center, Canton Fair Tower A (the Westin Pazhou), and Tower B. Located in Pazhou, Haizhu District, the Canton Fair Complex stands as a prominent urban landmark in Guangzhou. As the world's largest exhibition complex, it spans a total construction area of over 1,620,000 m², and boasts an exhibition area of more than 620,000 m².

Unique Design Philosophy

Honors and Awards

- The design concept of the Canton Fair Complex revolves around the theme of "flowing." The architectural composition features a fish-shaped main building and a dragon-shaped structure serving as the east entrance, creating a streamlined style with a gradual elevation from north to south. The roof undulates in a wave-like curve, mirroring the topography of Pazhou and the Pearl River. Characterized by smooth lines, the roof evokes the image of a dragon leaping onto the river surface and soaring into the sky.

- * The Canton Fair Complex has received prestigious accolades, including Hundred Classics and Excellent Works for the 60th Anniversary of the Founding of the People's Republic of China and Hundred Outstanding Civil Engineering Projects of the Century.
- * In 2015, the Canton Fair Complex (Area A) was awarded The LEED Operations and Maintenance: Existing Building Gold Certification for Area A, which was the first in China.
- * In 2022, the Canton Fair Complex secured the top spot on the "The Best 20 Exhibition Centers in China" of China International Conference & Exhibition.
- * In 2023, the Canton Fair Complex ranked first on the list of the "Top 40 Exhibition Centers in China" of China International Conference & Exhibition.
- * In 2023, the Canton Fair Complex (Area B and Area C) attained the LEED Operations and Maintenance: Existing Building Platinum Certification.

P09. Location

The Canton Fair Complex locates in Guangzhou, a millennium commercial hub and a key transportation nexus in South China. It stands at the intersection of land, sea, and air routes, playing a pivotal role within the Guangdong-Hong Kong-Macao Greater Bay Area and the Pan-Pearl River Delta Economic Zone, and among the Belt and Road cities.

Pazhou, where the Complex is at, enjoys close proximity to vital development zones such as Zhujiang New Town, Pazhou E-commerce Zone, Guangzhou Science City, and Guangzhou Higher Education Mega Center (HEMC), offering unparalleled geographical advantages and promising development opportunities.

Location at the Core of South China

The Canton Fair Complex benefits from a convenient and efficient multi-dimensional transportation network. It can be reached via expressways, metro lines, and bus routes directly. From here, it takes 45 minutes to Baiyun International Airport, 25 minutes to Guangzhou East Railway Station, 35 minutes to Guangzhou South Railway Station, 45 minutes to Guangzhou Baiyun Railway Station. On top of that, it will take a 2-hour boat journey from Pazhou Ferry Terminal Guangzhou to Hong Kong Airport.

Convenient Transportation

P13. Exhibition Facilities

The Canton Fair Complex has a total exhibition area of 620,000 m², including 504,000 m² for indoor exhibition and 116,000 m² for outdoor exhibition.

The Complex provides offline advertising resources which support various forms of promotional activities. Exhibition Halls in Area B and Area D, as well as Canton Fair Convention Center feature hanging points.

Expansive Venue

Total Exhibition Area	Indoor Exhibition Area	Outdoor Exhibition Area
620,000m ²	504,000m ²	116,000m ²

■ The Pearl River Promenade that stretches from east to west in the Complex provides direct access to all exhibition halls.

The Complex offers a total of 45 exhibition halls in four Areas. Exhibition halls on the first floors of the Complex have a load-bearing capacity of 5 tons/m².

All halls have open entrances to the north and south, along with connecting corridors from east to west, facilitating both integrated and independent exhibitions.

Power Capacity (KW)	1,600 KW per hall	
Water Supply	Every other booth is installed with 8-point faucet boxes (4 DN20 and 4 DN25) supply water from L & DN20 or DN25 water supply and a DN100 drainage. The water supply pressure is at or below 0.2Mpa, meeting "Standards for Drinking Water Quality GB5749-2006".	
Hall Illuminance (LX)	300	350

AREA D Hall 17-20

Expansive Outdoor Exhibition Area

- Vast venue with panoramic views

■ The total outdoor exhibition area:

116,000m²

- The outdoor exhibition space comprises the South Square, North Square, Northeast Square, and other outdoor areas. The venue offers ample space with a broad view, which is ideal for showcasing heavy machinery and large equipment. It is also a perfect choice for hosting activities such as test drives and music festivals.

■ Music Festival

■ Heavy Machinery Exhibition Hall

■ Test drive event

P35. Conference Facilities

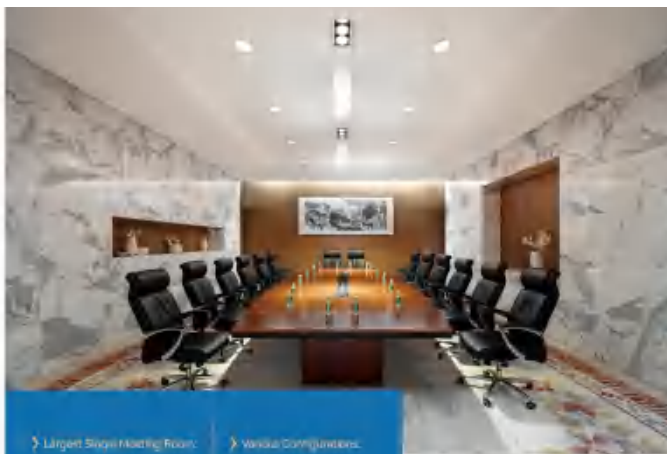

Two Distinct Conference Spaces

- The conference area reaches 49,000 m², including the Canton Fair Convention Center and the conference area. These facilities are equipped with numerous VIP rooms, meeting rooms, negotiation rooms, and multi-function rooms. With versatile venues and state-of-the-art equipment, we can accommodate a wide range of activities, including corporate annual meetings, banquets, concerts, and sports competitions.

Conference Area in Canton Fair Complex

> Largest Single Meeting Room:

1,000m²

> Various Configurations:

40-270m²

■ There are 38 supporting meeting rooms in Area A, B, and C, including a 1,000m² multi-functional meeting room No.8 suitable for large events. Additionally, there are also various configurations of functional meeting rooms such as classroom style, roundtable style, and auditorium style, with areas ranging from 40m² to 270m².

Exhibition Hall: Venue for Large-scale Conferences or Activities

Multiple specifications of the exhibition halls can meet diverse demands for super-large scale conferences or activities.
